

Sawdust 2 Stitches

Where we can't leave well enough alone.

ABOUT COREY

Corey grew up the daughter of a carpenter and quickly learned the trade at her Father's side. Once she became comfortable working with tools, she soon learned that there wasn't anything she couldn't create with the right tools and a lot of hard work.

WHAT OTHERS SAY

"Corey is an ideal partner and a pleasure to work with. She has produced a variety of high-quality projects using Kreg tools, all of which have been very popular amongst the audiences we've shared them with. Kreg customers and fans are attracted to the unique style of her projects, and appreciate her attention to detail, which is evident in her blog posts, plans, and tutorials. We look forward to future projects with Corey, and always look forward to seeing what she'll come up with next!"

"Corey has been part of our contributor team since June 2014, and the projects that she has added to our site in that time have been consistently high-quality posts that resonate very well with our DIYer readership. Corey's creativity, enthusiasm, and talent for creating a polished finished product on a budget have made her one of our top contributors, and her posts are always popular both on our site and on our social media accounts."
